

## Life Learning @ Home for Karapiro School Students *updated 15 April 2020*

**PARENTS:** The following is a list of websites and activities that you can choose to do with your students. These activities can be adjusted and integrated into your personal home environment depending on the resources you have available. The Ministry of Education has a note about [Learning From Home](#) on their website, and we are here to help. Most importantly, have fun together! Don't forget to PLAY! And [Turn On Your Subtitles!](#) The Ministry of Education have also made available our N4L Network for Learning internet filtering available for parents which you can access here [N4L](#).
